APPENDIX D

AUTHORIZED EXCEPTIONS, SPECIAL PROCESSES, AND
 DELAYED IMPLEMENTATION DATES
 (INTRODUCTION)

- A. DoD **policy** concerning the implementation of **MILSTRIP** procedures is contained in DoD Directive 4000.25 (reference (a)), and is summarized in chapter 1, paragraph E. of this manual.
- B. Separate **intra-S/A** systems/procedures **will** not be developed or used unless an authorized exception, special process, or delayed implementation date has been approved by the DoD **MILSTRIP** System Administrator in coordination with the **ASD(P&L)** or, when appropriate, the **ASD(C)**.
- C. Requests for exceptions, special processes, or delayed implementation dates **will** be forwarded by concerned **focal** points to the DoD **MILSTRIP System** Administrator for consideration when **it** can be demonstrated that **MILSTRIP** cannot provide a workable method or procedure or that, for some reason beyond the control of the **focal** point or concerned S/A, an approved change cannot be implemented on the scheduled cyclic date.
- D. Requests for exceptions, special processes, or delayed implementation dates **will** not be granted **solely** to accommodate existing internal systems and procedures.
- E. Requests for exceptions or special procedures **will** be forwarded to the DoD **MILSTRIP** System Administrator by the S/A **focal** point for review and coordination, if required, with DoD Components, affected Federal Agencies, foreign governments, and industrial organizations and **shall** provide the following minimum information.
1. Narrative description of the basic concept **being** proposed and reason(s) therefor.
 2. Known interface and impact requirement with other DLSSS and S/As.
 3. Advantages/Disadvantages of request.
 4. Proposed wording required for appendix D.
 5. Starting and ending dates of request.
